

## Heli – Ballooning

You arrive in our base, Aerodromo Son Bonet, just outside Palma city where the helicopter and pilot will be ready for you. After completing a simple security clearance you will be escorted to the flight line and the helicopter. The sightseeing flight will take around 25 minutes and you'll fly over the middle of Mallorca all the way up to the North East coast, where the helicopter will land and the hot air balloon will be waiting.

The hot air balloon trip will last 30 minutes, after take off your pilot will open a bottle of chilled French champagne which you'll be able to enjoy with fresh strawberries, which will enhance the ambiance, as you drift gently and silently over the stunning Mallorca countryside. Your experienced Balloon Pilot will act as a guide giving you a tour of Mallorca, the sights and towns you'll see, history of Mallorca and the hot air balloon.

After a gentle touch down the support car will collect you and drive you back to the helicopter landing site, where you'll board the helicopter for the return sunset flight back to Son Bonet, and you'll land just as the sun drops below the horizon ending the perfect experience.

The helicopter and hot air balloon flights are booked exclusively and privately just for you.
